Un mot de bienvenue

Le Comité local d'organisation, au nom de la Société de programmation mathématique, est heureux de vous inviter à participer au Dixième Symposium international de programmation mathématique qui aura lieu sur le campus de l'Université McGill à Montréal du 27 au 31 août 1979. Le symposium est organisé conjointement par l'Université de Montréal, L'Université McGill, l'École des Hautes Etudes Commerciales de Montréal, l'École Polytechnique de Montréal et l'Université Concordia.

Le Dixième Symposium est tenu sous les auspices de la Société de programmation mathématique, de la Fédération internationale des sociétés de recherche opérationnelle (IFORS), et de la Société canadienne de recherche opérationnelle.

Les premiers symposiums remontent au début des années cinquante. La Société de programmation mathématique, une société internationale consacrée au développement des applications des méthodes de calcul et de la théorie en programmation mathématique, est devenue le principal instigateur des symposiums. Le huitième symposium a eu lieu à Stanford, en Californie, le neuvième, à l'Académie des sciences de Hongrie, et le nombre de participants a suivi le développement de la programmation mathématique.

Nous nous attendons à une participation importante au Dixième Symposium, le premier à être tenu au Canada; les délégués viendront d'universités, de centres de recherche et d'industries répartis dans le monde entier. Le programme comprendra des sessions plénières, des sessions parallèles regroupant des communications invitées ou proposées, trois mini-cours sur des sujets récents d'importance, et une réunion des membres de la Société de programmation mathématique, où le prix Fulkerson sera attribué pour la première fois.

Le Comité local d'organisation vous invite à participer au Dixième Symposium, où vous pourrez non seulement prendre part au programme scientifique, mais aussi découvrir les multiples aspects de la vie montréalaise en été.

Introduction and Welcome

On behalf of the Mathematical Programming Society, the Local Organizing Committee takes pleasure in inviting you to attend the Tenth International Symposium on Mathematical Programming to be held in Montreal, August 27-31, 1979, on the campus of McGill University.

It will be co-hosted by McGill University, Université de Montréal, École Polytechnique de Montréal, École des Hautes Etudes Commerciales de Montréal and Concordia University.

The Tenth Symposium is sponsored by the Mathematical Programming Society, the International Federation of Operations Research Societies and the Canadian Operational Research Society.

The Symposia began in the fifties. The Mathematical Programming Society, which was established as an international organization dedicated to the development of the applications, computational methods and theory of mathematical programming, has become their principal sponsor. The Eighth Symposium took place at Stanford, California in 1973 and the Ninth at the Hungarian Academy of Sciences in 1976 and attendance has grown in parallel with the field itself.

We anticipate a large attendance at the Montreal meeting, the first to be held in Canada, with many delegates coming from universities, research institutions and industries around the world. The format of the program of the meeting will include plenary presentations, parallel sessions including invited and contributed papers, mini courses on three new fields of growing importance, and a general meeting of the Mathematical Programming Society members at which the Fulkerson prize will be awarded.

The Local Organizing Committee invites your participation at the Symposium and is working hard to ensure that you will benefit not only from the conference sessions, but that you will also have time to enjoy the city and share in "la joie de vivre" that makes Montreal an attractive venue.

Les activités scientifiques auront lieu dans les pavillons Stephen Leacock, Arts at Samuel Bronfman du campus principal de l'université McGill, situé dans le centre ville de Montréal. Pour y accéder, on emprunte l'entrée principale au coin de l'avenue McGill et de la rue Sherbrooke.

Accueil

Le Centre d'accueil et d'inscription sera situé dans la salle 109 du pavillon Stephen Leacock avec les heures d'ouverture suivantes:

Dimanche 26 août 1979 — de 14h00 à 19h00
du lundi 27 août au vendredi 31 août — de 8h00 à 18h00

Exposition de livres

Les participants sont conviés à visiter une exposition de livres qui aura lieu dans Leacock 111.

Transport

Si vous arrivez par l'aéroport international de Mirabel, ou si vous devez vous y rendre, nous vous conseillons d'utiliser l'autobus de la CTCUM vers ou à partir de son terminus au centre-ville de Montréal (803 rue Lagauchetière). Les départs dans les deux directions s'effectuent toutes les trente minutes. Le coût est \$7.00 can. par personne comparativement à \$32.00 can. pour le même trajet en taxi. Le terminus des autobus au centre-ville est à une courte distance en taxi des résidences de McGill et des hôtels.

Si vous arrivez à l'aéroport international de Dorval, ou si vous devez vous y rendre, un autobus (compagnie Murray Hill) effectue le trajet entre l'aéroport et les hôtels du centre-ville (dont le Sheraton Mont-Royal) pour \$3.75 can. par personne. Les départs sont fréquents, toutes les 20 à 30 minutes, et le trajet dure de 30 à 45 minutes selon les conditions du trafic. Un taxi coûte approximativement \$13.50 can. pour le même trajet.

General Information

Place

All scientific activities will take place in the Stephen Leacock, Arts and Samuel Bronfman Buildings at McGill University located in downtown Montreal. The best way to enter the campus is through the main gates at the corner of McGill College Avenue and Sherbrooke Street.

Symposium Headquarters

The Registration and Welcome Centre will be located in room 109 of the Stephen Leacock Building. It will be open according to the following schedule:

Sunday, August 26, 1979 — 14h00 — 19h00
Monday, August 27 to Friday, August 31. 8h00 — 18h00

Book Displays

Participants are invited to browse through a book exhibit in Leacock 111.

Transportation

If you arrive at or leave from Mirabel International Airport, please take the airport bus (CTCUM) to or from its terminal at 803 Lagauchetière Street in downtown Montreal (which is only a short taxi ride from the downtown hotels and McGill residences). Airport bus fare for this trip is \$7.00 Can. as compared to approximately \$32 Can. for a taxi directly to the airport. Buses leave the terminal and the airport from 2:00 p.m. until 11:30 p.m. at 30 minute intervals. The duration of the trip is approximately one hour.

If, on the other hand, your flight arrives at or leaves from Dorval International Airport, you can take an airport bus (Murray Hill) to or from the downtown hotels (including the Sheraton Mount-Royal) at a cost of \$3.75 Can. Buses leave from the Sheraton every 20-30 minutes and the travelling time is approximately 30-45 minutes depending on Montreal traffic. Limousine or taxi service is also available for approximately \$13.50 Can.

Réception et Banquet

Les participants au Symposium et leurs conjoints sont invités à assister à une réception le lundi 27 août 1979 à 18h00 au Hall d'honneur de l'Université de Montréal. Des autobus transporteront les participants. Ils quitteront le pavillon Leacock à 17h45. Vers 20h00, après la réception, ils retourneront vers les résidences de McGill et le Sheraton Mont-Royal.

Le jeudi 30 août à 19h00 nous proposons aux participants et à leurs invités un banquet au Gobelet, un restaurant bien connu de La Ronde, le parc d'amusement de l'exposition universelle de 1967. Le banquet sera composé de mets traditionnels québécois. Le coût du billet est de \$20.00 can. par personne. Des autobus quitteront le Sheraton Mont-Royal et les résidences de McGill à 18h45. Des autobus seront également disponibles pour assurer le retour des participants. Ils quitteront La Ronde après le banquet vers 22h00 pour les résidences de McGill et le Sheraton Mont-Royal. Les participants qui désirent prolonger leur séjour à la Ronde peuvent revenir facilement à leur lieu de résidence en prenant un taxi ou en empruntant l'autobus n° 169 à la sortie du parc La Ronde vers la station de métro Papineau pour ensuite prendre le métro jusqu'à la station Peel où il y a un accès direct au Sheraton Mont-Royal. Les billets pour le banquet sont mis en vente jusqu'au **mardi 28 août à midi**. Le nombre de billets est limité.

Social Program

All registrants and their spouses are cordially invited to attend a welcoming reception on Monday, August 27th, 1979 at 6:00 p.m. to be held at the Hall d'honneur in the University of Montreal's main building. Transportation will be provided to and from the reception; buses will leave at 5:45 p.m. from the McTavish street entrance of the Leacock Building and will return to the hotels and residences at approximately 8:00 p.m.

A banquet for registrants and guests will take place on Thursday, August 30th, 1979 at 7:15 p.m. and will be held at Le Gobelet. Le Gobelet, a well known restaurant that specializes in traditional Quebec food, is located at La Ronde, the renowned Montreal amusement park on the site of Man and His World (formerly Expo '67).

Transportation will be provided to and from the banquet. Buses will depart for the site at 6:45 p.m. from the Sheraton Mount-Royal Hotel and from Co-Educational Residences and will return at approximately 10:00 p.m. to the hotels and residences.
